This is a large two-bedroom apartment with an enormous loft located in a little, garden style brick building. The apartment takes whole second floor and whole attic/loft of the building. There are total of three apartments in the building. The apartment has it's own private entrance. The apartment has beautiful wood floors, in the main level and laminate flooring in the loft area. The apartment provides extensive windows, which makes it very bright even in a dark day. The apartment has all new energy efficient windows. The kitchen is going to be updated before the new tenant moves in. There will be new lower cabinets, new conter top, new sink and new flooring. The whole apartment is going to be painted into neutral colors: off-white gray and off-white beige (tenant choice of color might also be possible) Rent does include utilities such as heat, electricity, cooking gas, cable and telephone. There are coin-operated laundry facilities available in the building. Lots of street parking available in front of the apartment. Please get in touch to create a viewing.
