Figure models needed for local artist (Emory Decatur)

Location **Georgia** https://www.genclassifieds.com/x-629088-z

I'm a local art student, looking for new models to draw. Already gone through all my friends, their friends, friends of friends... Can you help?

No experience needed

Ideal models are average build/looks (you don't need to 'look like a model'). Slim or athletic build. Laid back and easy going strongly preferred... No one likes working with jerks
