Have you heard about mystery shopping but didn't know what it was or if it was real? Well, I'm a mystery shop scheduler for A Closer Look, one of the over 400 legit mystery shopping companies in the USA. We would appreciate someone with good writing skills and an observant eye for details to write reports based on experiences at area restaurants, hotels, service providers and other businesses. There is NO FEE to register with A Closer Look.

Due to a large increase in our level of business, we have immediate need for about 100 new mystery shoppers in your general area. If you are interested in learning more, please follow the directions below. You will not be spammed. I don't have time for that. This is a great way to work from home, taking only the assignments you want. Once you are registered with A Closer Look, you can immediately begin accepting assignments that you can complete.

To apply as a mystery shopper, please go to our website, www.a-closer-look.com, and click on the burgundy button labeled Become a Shopper. THERE IS NO FEE to become an A Closer Look shopper. You will be emailed a link to the application. This requires a 2-3 paragraph narrative of a recent dining experience. Spelling, grammar and sentence structure are very important, as are specific, objective details of your experience. Then you will be sent a link to a ten-question general skills test. This is not a difficult test. However, if you don't pass it the first time, you have a second chance -- just go back and begin that part of the process again!

IMPORTANT: When filling out the application, put my name (Carrol) in the field that says, "How did you hear about us." The gets the application to my attention, so I can monitor the approval process. If you have any questions, send me an email. Once you are registered, you can begin shopping right away if there are assignments you want to complete.

Please check us out: We encourage our prospective shoppers to check us out with the MSPA (Mystery Shopper Providers Association) at www.mysteryshop.org and www.Volition.com.
