**Snake Needs New Home**  
 I'm trying to find a new home for a pastel enchi ball python. It's unsexed, and about a year and a half old. It currently eats live rat pups. Included is a ~10 gallon glass tank with an under tank heater on a rheostat, a hide, a water bowl, a branch, a lamp, and 2 thermometers. I'm asking for \$100 or best offer for the setup and rehoming.
