Hello there! We aim to match people with the right dogs to fit their family and lifestyle! Please check out our dogs who are looking for their furever homes and let us work out magic to find your furever companion!

All of our dogs are fixed, up to date on shots, and microchipped, prior to adoption. Our adoption specialists will receive your application, tell you more about our dogs and set up a time for you to meet the dogs you are interested in.

To put in an application or check out our other dogs please go to www.k9pawprintrescue.org or find us on Facebook! We love making new Facebook friends! We post lots of our new dogs for adoption on Facebook so check us.
