Seeking Event Photographer for Today (Sunday Aug 9th) (Altadena)

California Location https://www.genclassifieds.com/x-629624-z

We are having an amazing party that is prime material for your portfolio or website. We have great performance acts and a gorgeously designed event. What we are missing is you!

Here's the thing: all of our party's elements are working with us at the friends and family rate. We are looking for someone to come eat and drink with us (we have catering and an open bar all day), listen to great live music, see an outrageous marionette performance, and take kick ass photos. We are looking to spend \$25/hour. Party starts at noon and will go to about 5pm. Please respond via email with a link to your work.

Thank!
