2 Bdrm/1 Bth Condo with a full kitchen FOR LESS THAN A HOTEL ROOM! Sleeps 6! Available August 14-26. Ask about dates later in the year. Partial ocean view and pool right in the Heart of Kailua Kona. \$139/day, \$800/week What a Location! Walk to everything - the beach, pier, fast food, fine dining, shopping, grocery stores, farmers market -- you name it -- it is right there. Have a few drinks at Kona's wonderful restaurants and bars and you won't need to call a cab. Just walk on home! One bedroom has a queen size bed, the other bedroom has a full size bed and there is a queen sleeper sofa in the living room! Bring your sweetheart! Bring the kids! Bring your friends! The kitchen is fully equipped with everything you will need including a blender for those tropical drinks. The lanai faces the ocean and has a table and chairs to enjoy the sunset. The complex has a swimming pool and a coin laundry. I provide snorkel equipment, beach towels, kids toys, WiFi and DVD's (no cable), a stroller and a travel crib, plus lots of other extras. The condo has hardwood floors, tasteful tropical decor and ceiling fans in every room. One parking space is included. I even allow pets if they are polite. I'm trying very hard to keep my units affordable so there is no air conditioner which is fine for most folks - the climate is very comfortable here. I own several condos in this complex, including the one across the hall, so if you are coming with a large group and all want to be together ask me about availability of my other units. You can walk to everything in town.

The complex is a mixture of full time residents and vacationers. It's not a high end complex but it has charm and it is so convenient! It is right in the heart of!
