I have 2 month old female Cane Corso pupp. She is blue (gray) color. Very friendly and happy puppie. She comes with ears and tail cropped and also up to date shots and deworming. Her both parents are on site to see them. I am very firm on her rehoming fee. And looking for forever home for her. If you are first time owner of this kinda dog then please google it and inform yourself about them . This is a large breed dog .
 Thank
