

Lost Bicycle on HWY 90

Location **Mississippi**
<https://www.genclassifieds.com/x-630536-z>

My 1979 black Peugeot bicycle fell off of my car rack on HWY 90 between Pass Christian and Gulfport on Saturday Aug 8 sometime after 9 PM during the thunderstorm. When I realized the bike was not on my car I doubled back and drove the HWY 90 looking for the bike or bike parts. No such.
