guitarist/vocals/bass looking to get some aggression started. I'm thinking a list along the lines of Insect Warfare, Infest, Pig Destroyer, Helmet, Brutal Truth, Gorilla Biscuits, Hatebreed, Misery Index, Unsane, Magrudergrind, the Jesus Lizard... loud, aggressive, overly complex minimalism that's easy to play. write some good music, do some recording, play some gigs if we can get a solid line up, etc. I've been writing a long time and know what I'm doing; hit me up and let's scare the retirees on my.
