Quickie V521 for sale \$250  
 email only please  
 Manufacture Description

An economical means to greater independence.

The Quickie V-521 was developed to be a robust, transportable power chair at an affordable price. The V-521 is an integration of the S-525 (styling, hangers, and armrests) and the V-121 (folding, battery release and motors). It includes a lifetime warranty on the frame and cross-tube assembly.

## Features

- Excellent performance on indoor and hard outdoor surfaces
- Standard flip-back armrests, optional height-adjustable, flip-back armrest
- Standard swing-away footrests, optional elevating leg rest
- 12" drive wheels
- Choice of 14", 16", 18" or 20" seat widths
- Direct-drive motors and gear boxes
- Charger jack/programming port located on joystick box for convenient connection
- Optional 22NF batteries for greater range
- 5-year frame warranty; 2-year main controller warranty; 1-year motor and gearbox warranty
- Compatible with Jay Cushions and Backs
