Thank you for viewing, I am selling my 2014 F150 crew cab 4 door with under 10,000 miles on it. 5.0 v8 6 speed auto, 20 inch wheels, levelling kit, tinted windows custom sub box under rear seat for added sound to music and fully adjustable level of sub output, brand new coolstart car starter with two fobs. blue book value on private sale is 37,000, I am just looking to get what is owed on the truck due to a decision I have made to purchase my parents house and sell mine in the future. I have three vehicles paid for, so I am looking to drop the payment. serviced first oil change at 1,500 miles, and just had the second done at 6,500 miles with a tire rotation. truck has power everything, running boards, cd player, bluetooth audio/sync, siruis xm radio all as factory features along with the tow package. I got this truck back in october of last year, sticker price was $42,000. Great way for somebody to get a decent price on a new truck with added accessories without having to deal with the hassle of going through a dealer. Warranty bumper to bumper 3 yr 36,000 miles and powertrain 5 year 60.
