

Hamilton aquarium lighting 100 (Northwood)

Location **New Hampshire**
<https://www.genclassifieds.com/x-631239-z>

I have a custom compact Hamilton aquarium light setup it has two compact fluorescent light as well as a metal halide. The fluorecent and the halide each have there own remote ballast. Great for planted aquariums have brand new extra bulbs as well. I had it screwed to the inside of my canopy it is 24 inches long and 10 inches wide puts out a ridiculous amount of.
