

# 9774nice DELL laptop with Office 2010, Photoshop CC, Fruity Loops 11 (135 USD)

Location **North Carolina**  
<https://www.genclassifieds.com/x-631312-z>

**GET IT BEFORE SCHOOL START, OR IT WILL BE GONE!!!**

For sale is a rare HD screen professional laptop with all the great stuff:

it is fast and reliable

-Windows 7 Professional

-OFFICE 2010 Pro (INSTALLED NO CHARGE)

----Microsoft Word 2010: create documents, resumes, letters, reports, brochures, manuals...

----Microsoft Excel 2010: create spreadsheets, graphs, tables, calculations...

----Microsoft PowerPoint 2010: create slide show, SmartArt, diagrams, presentations...

----Microsoft Publisher 2010: create business cards, brochures, newsletters, flyers, postcards...

-Photoshop CC - edit your pictures like a magazine editor! (FREE No charge)

-Fruity Loops Studio 11 - create music, edit sounds, DJ, make money writing songs (FREE)

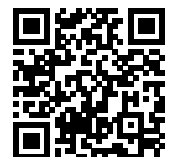

Wireless WIFI internal, USB ports, VGA port, DVD CD drive  
 comes with a charger adapter, great battery. (the picture is real)

All the software would cost more than the laptop itself. So this is a great deal!

call to arrange pickup, please call first, if email include your
