Jasmine is grade Paint/Arabian cross mare. She is a flashy sorrel pinto. She is wet in some pictures, but her sorrel is very bright. She stands just under 15 hands. She has very solid confirmation. We estimate her to be around 5 years old. I don't know much about her past but I believe she was broke at one time but has sat. She has good ground manners, stands tied and stands to be saddled. I have round penned her under saddle over poles and over a tarp. She wears the tarp and you can shake is while she stands on it. She has been sat on in the round pen. She is not spooky at all. Needs some work but would make a great trail horse. Asking \$700 Or Best Offer. Email, Call and leave a message, or TEXT 402-953.
