

Wall Mounted Table Installation

Location **New Jersey**
<https://www.genclassifieds.com/x-631546-z>

I am looking to install a wall mounted table in a kitchen area located in Piscataway. This would involve you designing and installing the table. I want a basic wooden design. Nothing fancy. Please respond with

- 1) Picture of this type of work you have done before.
- 2) Cost of purchasing and installation
