I have a job and will be gone most of the work day. I just need a place to go home to and to store my belongings, preferably within a mile or so of Spring Mill Road and Route 23.

**What I'm asking for:**

- A single bedroom with at least a mattress.
- Access to a full bathroom.
- Access to utilities: water, electricity, wi-fi.
- Respect for my privacy.

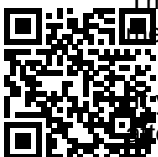

**Desired, but not necessary:**

- Access to household appliances: washer, dryer, vacuum cleaner.
- Access to the kitchen and some refrigerator space. I'd like to be able to use the microwave or kitchen stove and cook for myself from time to time.

**What I am offering in return:**

- Rent payments that include utilities.
- Commitment to respect your property, belongings, and fellow residents (including pets).
- Commitment to help maintain the house: vacuuming and cleaning the bedroom that I'd occupy, cleaning the bathroom that I'd use, cleaning in the kitchen if I cook something.
- Respect for your privacy.

I'm a quiet, tidy person and can promise that I will never have any guests. I conserve water and electricity. I do not smoke. If at any time you were to decide that you want to move out, I could move back in without problem. I would expect to see your email and/or respond to your messages. If you have any questions or would like to see photos, please contact me via GenClassifieds.com or email me at [genclassifieds@genclassifieds.com](mailto:genclassifieds@genclassifieds.com). Both interested parties must agree to the terms of the listing. If you are interested, please email me at [genclassifieds@genclassifieds.com](mailto:genclassifieds@genclassifieds.com). I would be happy to meet in person at a public place that is convenient for both of us.
