I am an above excellent drawing artist...my web site is www.artworkcaperton.com My abilities include teaching drawing to adults and children, illustrations, home decor, theme art, murals, tattoo designs and many other aspects of art. My art has been viewed in 5 different countries and here in the DFW metroplex. I've had the honor to do work for the 70's rock band "Grateful Dead" and "Jethro Tull." My works have been recipients of numerous awards and graced many newspapers. I can draw anything imaginable. There are no limitations in my creativity. I am a perfectionist and I dont skimp on my customers needs. Honesty is my business policy. See my web site for more info and more drawings and a little about me. www.artworkcaperton.com I never went to art school? What I have is a God given talent that started when i was 4 years old. Let my years of experience and expertise benefit you today.....MASTER ARTIST KEN
