

# W56 5 spd TOYOTA TRANNY AND T (22 USD)

Location **South Carolina**  
<https://www.genclassifieds.com/x-632276-z>

\$350 obo Still under the truck cab with 135K and you will need to pull it. I left it there to be out of the way and weather. it is already away from the engine that has been sold and driveshaft that also has been sold so its just a matter of taking it down off the cross.
