About Me

Hi, I'm Becky and I would love to care for your best friend. I am an animal lover. I grew up with dobermans in my family home and I have 6 years in dog handling experience working for the Humane Society in Iowa. I have a mellow cat and would love the company of a dog. I live in an apartment with the green way across the street and Lake Johnson nearby. I am mobile. I can sit in my home or yours. I am active, loving, sincere and will show your dog a great time.

About My Services

My rate is \$20 per night

I prefer to sit the following sizes of dogs:

small (1-15 lbs)

medium (15-40 lbs),

large (41-100 lbs),

giant (100+ lbs).

Raves from My Customers

I have 2 reviews on my Rover profile. Check out what these customers had to say:

????? " Becky took care of my 40 pound lab over a long weekend earlier this summer. She took her for walks to both Lake Johnson and Lake Raleigh along the trails near her apartment. Penelope had a wonderful time, and I think she would have rather stayed with Becky for another day than come home with me. I will definitely be calling her this fall when I have to leave town again. " --Jeremy K.

????? " Becky was amazing with Gracie! We came a little early and arrived late for pick up, but Becky was completely accommodating. It was Becky 's first "sleep over" so we were nervous but Becky sent us updates and picks and you could tell our puppy was loved the whole weekend. Becky was everything we could ask for, thank you so much!" -- Megan D.

Even if it's just installing mini-blinds or assembling your furniture, call, text, or respond to this ad via email. I've been the building manager where I live for about 15 years, and in that time have applied more caulk, stopped more leaks, sawed more wood, patched more drywall, spread more paint, mixed and poured more concrete, and installed more doorknob sets, assorted hardware, faucet assemblies, water valves, fixtures, and vinyl floor tiles than I can remember. Fortunately, I don't have to remember; I took pictures of some of the work I've done so you can see for yourself. dog day care, doggy day care, doggy daycare, doggie daycare, puppy care, dog walker, dog
