Hey cl I have to downsize my yard and I have decided to rehome my 2 white bullies. One male and one female. They are looking for their forever home. Preferably with a fenced in yard. Both are good dogs and both are intact. I would prefer they went to the same home but I will rehome them separate. Both have great size and muscle tone. Nice big chest pieces. Brian is the male and master shake is the female. She is the one with the black leg. 250 a piece or 500 for both. Willing to entertain offers but I'll tell u now u can't have my dog for \$100. Not gonna happen I've put too much money into them to just give them away. Text me only

Only reason I'm rehoming is bc I'm having another child. No they are not ukc registered that's why they are so.
