Good day everyone reading this. My family and I are in a bind with obtaining an apartment. We have jobs and the money to pay rent, just not the credit score. We are in search of someone who would be willing to sign a lease for us and then make a sublease with us. If you can do this, please contact me by email, and we can then discuss over the phone. This is serious, so only serious people interested in helping us should respond. Thanks again for your help in.
