

# American pitbull terroir

Location **Alabama**  
<https://www.genclassifieds.com/x-633144-z>

Brody is 4 years old ABKC AND UKC registered. He is very energetic but also super loving and always happy. Loves kids and other dogs. We can no longer keep him due to not having the time he needs. He weighs about 80-90 lbs and I hate to see him go but he deserves so much better! Please let me know if interested. \$500 non
