Our company is Full-Service California State Licensed General Contractor building company. From design, build, remodel, "With Your One Call We Do It All". We bring quality expertise with plenty of resources and over 42 years of experience in every Home Improvement, Home Remodeling, New Custom Home Or Commercial Construction project.

When it comes to full gut home renovations, new custom homes construction, green building or remodeling we understand how important trust is in a general contractor -client relationship.

We approach construction as teamwork between client, architect, designer, consultants and contractor. We work hard at the details of the building budgets, schedule and estimates, as well as managing our clients' risks. As a full service contracting company, MTY Construction General Contractors, specializes in full guts, kitchen remodeling, bathroom remodeling, all types of home improvements, including additions, conversions, new home construction and commercial tenant improvement projects.

We are comprised from people who have the experience to execute both large and small-scale projects, while providing careful professional services to our clients. We are passionate about architecture, and

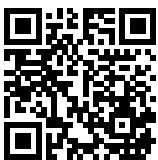

thrive on the challenge of turning building design ideas into the places where people live and work. As a

company we build, remodel, home improvement, home remodeling, home renovation, home focus, home ideas

for all your remodeling, home improvement and home needs with a free estimate, competitive prices, and construction services for a team of local full

insured and certified craftsmen, remodelers, general contractors and skillful workers as well. We take our work seriously and stand on our longest of satisfied clients as the majority of our work comes from past clients and their recommendations to others.
