We have a need for someone that can handle full kegs of beer to drop of at bars and restaurants in SF and the Bay Area. Also will handle cleaning beers lines and taps once a week as well for our account bases.

Full Keg weight is around 160 lbs. We have a Ford truck that has liftgate to get kegs up and down.

Must be reliable, good DMV record, NO DUI's and willing to grow with an up and coming beer company in the bay area.

This is a 10-20 hours a week job at this point in our business. Driving Wednesday and Thursday afternoons. Hours would be 10AM-3:00 PM. Warehouse is in South San Francisco.

We are growing and will be needing 20+ hours soon enough!

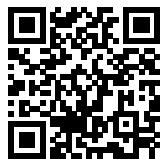

You will be an independent contractor (1099)

Please send resume as.
