

Beloved Family Cat Looking For New Home (Fayetteville)

Location **Arkansas**

We are moving and will be traveling abroad extensively and have sadly decided its best if we found our beloved family cat a new home.

Meet Theo,

This 3.5 year old fur-ball is a fun and unique cat with a laid-back attitude who loves to snuggle (once you get to know him, of course). He is primarily an outdoor cat, but knows how to behave indoors and is often found curled up for a warm cat-nap.

He would be a great farm cat, or a barn cat and enjoys all weather. He'll also help with your mice problems.

He has been neutered and has had all basic shots and chip -- He is up to date.

Willing to negotiate or void small re-location fee upon inspecting that you are not an animal abuser, or psychopathic cat murderer.

Please reach out if your are interested in adopting.
