Ellie May is a great dog with a huge heart. We don't want to get rid of her but we are having a baby really soon. Ellie is playful and very lovable. She is great with kids. She will not go if we don't see a good fit. We really love her but we need to focus on this baby. \$100 dollars will get you the crate, bed, food, treats, toys, food and water bowls. She's had all of her shots and wormer. We have.
