

Entertainment Center Cabinet (20 USD)

Location **Alaska**
<https://www.genclassifieds.com/x-633643-z>

Basic, no frills, slightly worn cabinet to hold a TV, Xbox, PS4, or anything else. I've used it for years, is still sturdy. Has a small hole fashioned by me for cables and whatnot. Will not clash with anything, has an attractively natural finish. Have a table and a futon too, if you need some basic living room!
