I have a 01 model Chevy Silverado truck it has a nice v6.vortec engine and runs great .It is a 4 door truck and in the interior it looks great and in great condition ...it has great heat and air conditioning and it runs great ...The only issue is that the truck does not have a title but I can give a bill of saleit would make a great farm truck and it is great on gas ...it does have high miles but you would not notice it because the engine looks and runs great with any issues. ..I would sell for 1800\$ cash obo or trade for a good utility 4 wheeler 350cc.and up or a racer 4 wheeler warrior, banshee, raptors. .etc.. let me know what you got text is the best way to get a hold of me or email. ..

thanks I would also trade for a good jetski or good fishing boat
