dodge avenger sxt plus. i am selling this vehicle thousands less than retail due to some minor interior damage.(call me for details) otherwise, the vehicle was very well maintained and looks very good. it comes with sunroof , spoiler, premium entertainment, ambient lighting, sxt fully equipped including the large v6. it has two brand new tires. everything works. THIS VEHICLE ALSO COMES WITH A FULLY TRANSFERABLE 5 YEAR 100,000 MILE BUMPER TO BUMPER FACTORY WARRANTY. THIS COVERS EVERYTHING THE ORIGINAL 3 YEAR 36000 MILE WARRANTY COVERED. i have all documents to verify this so the vehicle is virtually risk free for the next 41000 miles or until april of 2017. the warranty originally cost \$1724.00 i purchased the extended warranty when i bought the vehicle new. this car is very fast and peppy. i will look at all reasonable offers. thank
