Hello mommies/daddies I'm a stay at home mom looking to take in another child/ children for a few days a week, few hours or even date nights! I can take any child as long as they are droped off before 7:30am an pick ups by 8pm due to my child starting vpk! If you have times around there please feel free to ask about it an well see what we can work out! I do my child care at my home since my child is starting school an I do not have a car! I am very very reasonably priced an I cover meals an snacks! I also have a dog just in case you're child is scared or allergic! I have a clean an safe home an plenty of room for you're children to enjoy there day! I have 7 years experience with children from preemies on heart monitors to school aged children! I have plenty of learning toys an activities that we would be using for older children an younger toys also, as well as outdoor activities (with you're approval)! Please feel free to ask me any questions you'd like! Thank you an I hope to hear from you!
