6 1/2 week female blue nose pitbull for sale. "Bella" has had her first set of shots and has been dewormed, her next set of shots is at 8 weeks. Unfortunately, I do not have paperwork. If you decide to give her a loving home, she comes with everything I have (a crate, puppy pads, bag of dog food, bowls, shampoo, bed, leashes and more). We cannot take care of her and put in the time due to a change in work schedules. She is extremely sweet and listens well. We the process of potty training her to go outside which is going well. Rehoming fee \$500. Email me questions or if need more pictures. SERIOUS inquiries only, fee is nonnegotiable. Need to rehome her ASAP because the schedule change is within a week.
