

Healthy Food For Your Pets (You pick up)

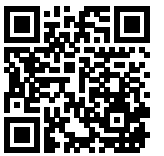

Location **Iowa**
<https://www.genclassifieds.com/x-634148-z>

This litter turned out quite a bit smaller than my others so they're not much use for my dog as she is quite large.

Asking \$15 (processing fee) each. Will have about 12 available in 2-3 weeks.

They can be sold already processed or whole. Not live. Email me if you're interested.!
