Location **lowa** https://www.genclassifieds.com/x-634164-z

Are you a nudist in Omaha, Nebraska? Do you enjoy hanging out in the nude? I love being nude. I pretty much always have, but I don't know any like minded people to hang out with in the area.

As I understand it, there are those who feel nudism has nothing to do with sex, those who think it has everything to do with sex, and those who fall somewhere in the middle who believe sex can be a part of the mix. I'm open minded on this. This doesn't have to be about sex for me, but I do enjoy sex. Mainly, I just want to find likeminded people who enjoy being nude so I can share this interest with others, male and female.

Feel free to hit me up on the free Kik app @ #OmahaAreaNudists (preferred, this is a group for nudists) or respond via the Craigslist email system (if you don't have a smart phone or otherwise can't access Kikster).

Let's talk about this and see where it goes from.
