

Opening in Boise the weekend of August 8th, 2015! Visit our website to learn more: www.giggleloopsy.com Is the much anticipated special day right around the corner? Your child's birthday party is a big deal, and we're ready to make you shine by making it great! Entertaining kids is our passion and doing so on their birthday is extra special! How does this whole birthday party thing work? A fabulous and fun Loopsy girl arrives at your home, park, or other party location. They come with a whole host of activities up their sleeves, such as face painting, balloon twisting, singing, silly joke telling, and gOoFy antics in general. They're happy to do all, or just one. Your choice. How much time should I reserve for our birthday party? It depends where you stand in the running for parent of the year. Seriously. This could well put you over the top. Okay, so for the real answer. Face painting requires the most structure, as we have to make sure we allow enough time for me to paint all the kiddos at the party. We paint an average of 12-15 faces per hour, so you can use that as a guide for estimating the time required. To put it simply, most often parents reserve two hours for a kids party with 15 or fewer kiddos. Hiring a clown is like... a huge decision. Got any reviews? So glad you asked, my friend. Â Yep! Â We sure do--worked darn hard for every one of 'em too! Well, not really. Entertaining children is more fun than work, but you get the idea.Â Checkout a few of our testimonialsÂ here. Â We'd be happy to put you in touch with any of our past clients. How much will all this birthday party fun set me back? A whole lot. Parent of the year doesn't come cheap, you know. Just kidding! Our rate is \$85 per hour, per Loopsy girl, with a two hour minimum, or \$450 for the day (per Loopsy girl and up to 8 hours). Ready to make it happen? There is only one thing left to do! Let's be social! Stop by and say hi, We'd love to have you! Facebook: <https://www.facebook.com/pages/Giggle-Loopsy/1388807438074560> Visit our website to learn more:
