Location Maine https://www.genclassifieds.com/x-635257-z

Hello, we are an up & coming busy Junk Removal Business in Cumberland York & Androscoggin counties looking to expand the area of our business & we need YOUR help doing sollf you have any unwanted waste or Junk you want hauled away then you found the right people! We except any sort of waste and items you need disposed of, weather its one item or 2-3 trucks full of waste or metal. We take everything from Fridges, TVs, computers, all types of furniture, odds and ends and lots more! Also Lawn mowers, grills demo debris yard clean ups, brush piles, trash pick ups if you don't have trash removal from your city or town, and lots of other things. There is virtually nothing that we don't take! Please don't hesitate to call. Same day service is provided along with free qoutes/estimates. We also specialize is full on real estate clean outs & hoarder homes over taken by added up waste that some do not know how to dispose of. We do commercial and residential properties. We are also the first Company to be offering full Fall Clean ups for great affordable prices! Leaves, brush, trash, old bushes and lots more. By calling us we promise your helping to make the environment a greater place to enjoy!

We currently are promoting our company as much as possible with signs and door tags all over the listed counties. At some point you will be seeing them more as we continue to grow, and we can do that with your help! If you or someone you know is interested, please don't hesitate to call, Email or even text message, anytime! All inquiries are answered immediatly. Our phone # is listed above. We hope to hear from you and be sure to let friends, family and even coworkers know. We get the job done & right! Not just a phony gimmick. Visit us on Facebook - www.facebook.com
