

Intern for Sexual Health Start up (Brooklyn)

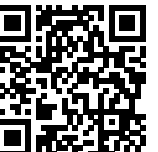

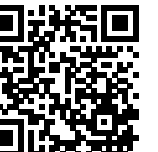

Location **New York**
<https://www.genclassifieds.com/x-635460-z>

We are a new non profit company that has developed a model that uses incentives to encourage people to know their sexual health status. Our company is young, fun, energetic, and excited about changing the approach to STD testing.

We are looking for someone to manage our social media, blog, and special offers section of our future mobile app.

You will be working remotely with one other person, attend weekly calls and bi monthly in person meetings to make sure we are achieving the goal.
