Rex Garn Mabey, Jr., M.D. is testing new investigational medications for vaginal infections. We are currently seeking women to participate in a clinical research study.

If you have any of the following vaginal symptoms you may qualify:

- \* Itching
- \* Burning
- \* Itching
- \* Odor
- \* Discharge

To be eligible you must meet certain other requirements that will be explained to you.

Women selected for the study will receive free study-related medical care, including 2 or 3 clinic visits, and payment for their time and travel expenses.

For information, or to see if you qualify, contact: Ashlee at or visit [www.drmmabey.com/yeast](http://www.drmmabey.com/yeast)
