

Need spare tire key for Ford F (350 USD)

Location **New Hampshire**
<https://www.genclassifieds.com/x-635666-z>

Got a flat on a 2008 Ford F350. Don't have special key to lower spare tire. Stuck in Milford on a house I'm working on.

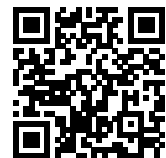

if someone lives in the area and has a key, and is willing to come out and help that'd be awesome.

Attached picture is what the key design looks like.
