Hello, my name is Diana and I am a licensed dog trainer with several years of experience working with all kinds of pets. I am offering my services as a pet sitter and dog trainer. I have experience working with all kind of pets, specifically birds and dogs and am very familiar with animal behavior. I have very affordable rates and offer all sorts of discounts for dog training.

Dog Training:

All dog training and animal behavior consulting will be done in the pets home. This is because pets excel in training when it in an area with minimal distractions. A new area is always more distracting to a pet and depending on the animal, can even cause further problems.

Rates starting at \$50 dollars per session for anyone in Fairfield, Bridgeport, Trumbull, Stratford, Shelton, Westport, Southport, Easton. Otherwise, a minimal travel fee may apply.

*I also do E-Collar training! Teach your dog to use an invisible fence, hike off-leash, or simply listen to your commands.

Pet Sitting:

Pet sitting can be done either at my home, or the pets home (house sitting). The rate depends on the number of pets and travel costs.

Average Rates: \$20-25 per night For >30 lb dogs, \$27-35 per night for <30lb dogs.

 Please call about dog training if you only need your pet to be checked on or to dog and water

Pet nails: I will travel to pet homes to do their nails at a reasonable price. I can do this for dogs, cats, and birds. This option is usually very useful for pets with anxiety problems who have problems leaving their home.
 *If you are booking me for a dog training session, I will charge \$5 dollars for nails per pet.
