Don't miss this fantastic opportunity to own a great home in a great neighborhood!

This home has been completely remodeled and ready for you to move in! The remodel includes a completely new kitchen, ALL NEW APPLIANCES, new carpeting, new bath, newer driveway, roof and windows. All the hardwood flooring has been refinished and the house has been professionally painted throughout. This is basically a new house that has not been lived in!

You will need security deposits for the rental. Or if interested in the lease to own, a down payment along with a steady income history is required.

Start building equity now, while you rent, and become an owner, NOT a renter!

This won't last long so contact me today to make an appointment to take a look inside before its gone...
