We are a busy concrete company specializing in decorative concrete, concrete polishing, and epoxy floors. We are looking for part time/full time help for the right person. I would prefer someone with concrete, or epoxy experience but would be willing to train a hard working motivated person. The ideal person will be drug free, in good shape and is not afraid of physical labor. Prefer someone with a good driving record and takes pride in their work. Some travel is required. Must be on time and dependable. Please visit our website to learn more about our company. Please email me with your experience, what would make you a good candidate for this position and what hourly rate you would like to start at. you can visit our website at www.sbrconcrete.com. Please no phone calls at this time I will review emails and contact the people I would like to.
