Just really need good sdvice from someone who knows something about artists and possibly art auction or some way for me to get more sales.

I am.dedicted.....this is not a little hobby for me. I really dont like the marketing part and I think too many artists are selling work too cheap. It cheapens everyone elses profits also.

I work quickly and can paint at least 7 to 10 paintings nd/or illustations. Contemporsry cute styles on the painting. Sold a lot for childrens rooms. Also home, living room office...

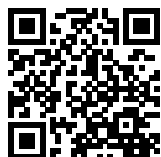

I appreciate any help or responses on my post.

Thank you for taking time to.
