We are looking for childcare for our two boys, age 1 and 4. The schedule would be M,T,W,F from 9-1:30. Monday,Wednesday and Friday would be just the younger guy. Tuesday would be both boys. We need someone to start August 24th. Ideally we would add a standing evening every other week. We would meet each morning at my work, Citizen Cider, and you can either adventure off from there or head back to our place just down the road.

If you are interested please respond by email. Please include previous childcare experience with ages 1-4, any relevant training/certifications and your availability.

Thank you.
