There are so many myths surrounding "Au Pairs" I have heard people say Au Pairs are for the rich & famous, they are too expensive. In reality, over 20,000 American families each year choose Au Pairs because they are often times less expensive than day care, since there are no additional fees for multiple children.

Au pairs are a child care alternative for families who want:

- In-home child care
- Bi-lingual child care
- Flexible child care
- Quality child care
- Intercultural child care
- Affordable child care

Many of my host families found the program because they were looking for a better child care option. Enthusiastic, motivated Au Pairs provide flexible, live-in childcare up to 45 hrs/week according to your family's schedule. The average cost is \$353/week and our agency has a special discount for Host Families from the Philadelphia area.
