I build the frames to have a rustic look. There are many different pictures to choose from, although I can only show some of them here. I can email you more pictures if you tell me what you are looking for. The frames will all look similar to what you see here. 2 of the pictures are shown with the frame. The 16x20 sell for \$58. and the 8x10 sell for \$38. Cash only and you pick up. Call my home phone at
