I'm coming in for a few days of hiking in Sept. I don't want to rent a car as it will just sit for a few days while I am hiking Teton Crest Trail. I am looking for someone who can give me a ride to the backcountry office, out to the trail head, pick me up when done and take me back to the hotel. That kind of stuff. I will pay \$10 per short ride (<10mi) and \$20 per longer.
