Professional Photographer looking for fit curvy females to create modern glamour girl images. Need models who can present a voluptuous look for the camera with shapely legs and fuller hips. Models should have proportional figures and a hip to waist measurement that differs by at least 10 inches. This will be a sexy, edgy style photo shoot. You must be comfortable in your skin and ok with the images having a sexy feel. All models must be 18+. Please submit a recent full body photo of yourself for consideration and we'll get back to you with further.
