I am a young single mom looking for loving child care. The loving part is most important. I need someone (preferably a college age or late teen) to come pick my son up from school and take care of him until bedtime. (Very EASY) Just make sure he eats, and if youre comfotable with helping him bathe he only needs supervision and guidance, hes very self sufficient, and get him in bed. My roommate will be around but can't handle all of the children alone. There are two options for scheduling.

A) Either pick him up at 2:45(do not be late the school is very particular) and stay with him at my house until he is asleep 8:30/9:00.
 Monday Tuesday and Friday and(POSSIBLY 1:15-8:30/9:00 on alternating weekends his dad tries to have him every weekend but sometimes works and is unable)

Or

B) pick him up from after school program at 6 and stay with him until he is asleep 8:30/9:00 Monday Tuesday and Friday and (POSSIBLY 1:15-8:30/9:00 on alternating weekends his dad tries to have him every weekend but sometimes works and is unable)

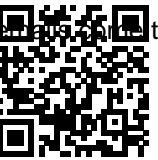

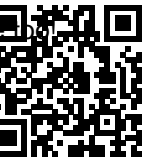

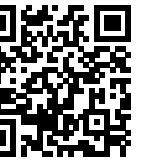

Option A will pay \$75/week

Option B will pay \$50/week

These are the prices without weekends. If he is with you on weekends I will add \$25/week

I need someone willing to come to my house ESPECIALLY during the week. I am more flexible on weekends. I have tried taking him to someone else's house and he doesn't do well during the week. He likes his own home.

He's a very fun, sweet, adventurous little boy. I can let you contact my previous sitter for reference on his general behavior, the ONLY reason she's not continuing with me is that she has after school commitments.
