

Tiny Hamster size Pet Bed cute 6 (meachnicsville)

Location **Virginia**
<https://www.genclassifieds.com/x-637117-z>

Keep your smallest of furry friends cozy in this little pet bed that measures about 7 in diameter. The inside is lined with fuzzy soft for comfort and comes with a matching pillow ---your little friend will be delighted! This also could be used for an American doll's dog bed very adorable.

We bought this off Esty for a hamster but we ended not getting one so now don't need this we paid much more but just asking 6.00 cash
